Add drug pre-mix pac of your choice, observing recommendations for proper usage and withdrawals before marketing. Consult your **PEET'S** Representative for personalized rations, including split sex feeding and multiple phase diets. If only 2 diets are fed to growing/finishing swine, feed Grower 2 to 125 lbs. and Finisher 2 to market. This base mix is suitable for gestation and lactation rations. See PEET'S **SOW BOOST** directions for inclusion rates.
