INGREDIENTS

Yellow Corn, Soybean Meal, Processed Grain Products, Cane Molasses, Bentonite, Ammonium Chloride, Limestone, Salt, Yeast Culture, Potassium Sulfate, Magnesium Sulfate, Zinc Sulfate, Ferrous Sulfate, Cobalt Carbonate, Ethylenediamine Dihydriodide (Iodine), Manganese Oxide, Sodium Selenite, Vitamin A Acetate, Vitamin D Supplement, Vitamin E Supplement, Soybean Oil, Sodium Molybdate, Propionic Acid, Acetic Acid, Benzoic Acid.

FEEDING DIRECTIONS

Mix with grain of choice at the rate of 1.0 pounds per head per day to provide the recommended level of 22.7 mg of deccox per 100 pounds of bodyweight. Offer good quality hay and fresh clean water. Feed for at least 28 days during periods of exposure to coccidiosis or when experience indicates that it is likely to be a hazard. Consult your **PEET'S** Representative for specific rations and additional information. **This product contains no additional copper.** Copper levels are from natural sources.
